

STATEMENT on BSE & TSE

Spark Holland B.V. hereby declares that all products manufactured by the company are produced exclusively from synthetic or otherwise fully manufactured materials. No raw materials, intermediates, components, or processing aids of animal origin are used at any stage of the manufacturing process.

Furthermore, the manufacturing environment, equipment, and processes are designed and controlled to ensure that products do not come into contact with any substances derived from, or contaminated by, animal origin materials.

Based on the foregoing, Spark Holland B.V. confirms that its products are free from materials that may pose a risk of Bovine Spongiform Encephalopathy (BSE) or Transmissible Spongiform Encephalopathy (TSE).

This declaration is issued to support regulatory submissions, customer quality requirements, and compliance assessments.
